Work Before Closing

Whereas the GCSB recognizes that some students question their gender identities, and

Whereas the GCSB encourages such students to seek support and advice from parents, professionals and other trusted adults, and

Whereas the GCSB seeks to provide a safe learning environment for all students and to protect the privacy of all students, therefore

It shall be the practice of the GCSB to provide male and female restroom and locker room facilities in its schools, and the use of said facilities shall be limited to the corresponding biological genders, and students with sincere gender identity issues shall be provided an alternative private facility.

Members of the School Board:

I have been following the story of the transgender student and the request to use male facilities. I respectfully ask that you act to protect the rights and privacy of students who are not transgender. I was greatly disturbed that the decision was made by the Gloucester High School principal to allow the transgender student to utilize male bathrooms. I have a son who attends [REDACTED] School, and cannot imagine how he would feel if a transgender student began to utilize the boys restroom. All students, not just one, should have their privacy upheld. Regardless of how a student "identifies" them self, reasonable accommodations were made allowing the student to utilize the nurse's restroom. Please act on behalf of the entire student population, not just one student. This is not a discrimination issue, it is a privacy issue.

Thank you for your service to Gloucester citizens.

Sincerely,

Today at the end of B4 Gavin Grimm and [REDACTED] stood up and began yelling at each other across their tables. They were mutually clearly ready to physically fight. As near as I could tell it had something to do with Gavin using the boys restroom today. Both students were visibly upset and cursing at each other stating they didn't have to put up with this "fucking shit" and other similar comments. I don't remember exact comments but something to the effect that [REDACTED] didn't believe that Gavin should use the boys room because he we a girl and Gavin stating that he didn't have to put up with people saying negative things. They were equal partners in escalating the situation.

I yelled at them to stop several times and then sent Gavin to Clark Barkley's class to wait for me and took [REDACTED] to my office hallway.

I asked [REDACTED] what had happened. He stated that he had anger issues. He said something to the effect that he had asked Gavin's brother about seeing his sister going into the boys restroom. [REDACTED] swore he did not know that Gavin was transgender.

I then asked Gavin what had happened and Gavin said that [REDACTED] knew all about it and was just saying things to upset him.

This is direct from an ACLU website! - Let me know if you want me to get the whole article to you.

"Bathroom and Locker Room Issues

Many LGBTQIA students find bathrooms and locker rooms a war zone fraught with anti-LGBTQIA slurs and physical abuse. If you are having difficulties using the restroom or locker room, report the troublemakers to your school administrator and request an increase in security in the problematic areas reminding them you are the target, are not breaking any school rules, and this behavior is creating an unsafe learning environment. **Although students have the legal right to access bathrooms and locker rooms, some school administrators seek alternatives to providing increased security. As a result, some school administrations offer LGBTQIA students the use of the employee single stall restroom. "**

Resource

"ACLU: Transgender resources

(back to top)"

Odd ACLU calls it "bathroom" - but notice you have already done what ACLU says about making an appropriate accommodation - the nurse's rest room i.e. to avoid harassment

-

-

This is why they offer the accommodation to single stall rest room.

School Harassment

Schools are legally obligated to provide a safe school environment to all students. Students can't learn if they worry about taunts, name-calling, or physical violence by their classmates or teachers. Most school administrators and teachers will help students who are being teased or bullied, but you must first tell them of the harassment. If you feel uncomfortable talking to school officials alone, there are other possibilities. You may e-mail school officials, for example. Also, Safe Schools NC board members are willing to go with you or speak for you. School administrators are legally obligated to protect students. If you feel that your requests for help are being ignored, there are organizations, such as the American Civil Liberties Union (ACLU) of North Carolina or Lambda Legal Defense, that can back you up in court.

Dear Gloucester County School Board Members,

Our family is writing to you in regard to REDACTED and the media attention the Grimm family is seeking to further their cause. We have signed a petition presented to us and feel the need to voice our concerns to you in writing.

We are tolerant people who accept that every individual has the right to live their own life. Working for REDACTED for 30 years and supporting "gay rights" long before it was popular is the example our grandmother set. She encouraged her children and grandchildren to do the same. REDACTED

REDACTED We are the family that provides a safe place and listening ears for other teens who are either not ready to come out to their families or who are rejected by their families due to their choices.

Quite frankly, Gloucester High seems to have a disproportionately large number of students who identify themselves as lesbian, gay, and bisexual. Transgender is not as widely seen as of yet. The issue at hand should not be viewed as an attack on one child, as bullying, or as discrimination. The decision regarding any transgender student using the restroom they assign to themselves should be considered based on the needs and privacy of ALL STUDENTS in the school. REDACTED is not an anonymous person in a mall or theme park that just walks into a restroom of his/her choice.

REDACTED

REDACTED It is unfair to our children and our community for the Grimms to attempt to turn a privacy and safety issue into an act of bullying to gain additional attention. The request to be allowed in the men's bathroom should be examined separately from any claims of bullying.

We did not know that you were considering allowing an individual with female anatomy in the school's men's bathrooms until our sons who attend the school came home and told us. Our boys, gay or straight, are mortified by the idea that any female, including their mother or sister, would be in a bathroom with them while they are using it. Our daughter is concerned that a decision to allow Gavin Grimm into the men's restrooms will lead to a male student assigning himself as a female and being allowed in the women's restrooms. Furthermore, the men's restrooms do not all have working stall doors and urinal dividers or proper trash receptacles for soiled female items. REDACTED is physically a girl with female anatomy who wants to be allowed to use a men's bathroom in a public school. REDACTED has been known to Gloucester High's students as a girl for a long time and is making many students uncomfortable.

REDACTED should have a safe place to use the restroom. Gloucester High is a very large building so REDACTED should have access to more than one restroom; however, it should NOT be in the men's restrooms. The nurse's office is the universally accepted alternative for students with many different needs. We feel strongly that Gavin, as well as any other student who chooses to, should also have access to a second bathroom within the school, but not the men's restrooms. *Surely there is a place somewhere in the school that can be remodeled to include two to three stalls and designated as a unisex bathroom and used by anyone who feels the need. Alternatively, if you cannot put the rights of the whole population ahead of the rights of one student, the least you can do is designate no less than half of the school's bathrooms as "male only" and "female only" so that the student body retains its rights as well.*

Safety should also be a concern, especially if we all accept the Grimm family's statements that ^{REDACTED} is being bullied by Gloucester's school system and residents. Unfortunately, there is going to be someone who feels threatened or wants ^{REDACTED} to leave the bathroom so they have the privacy to use it. There are already incidents of bullying that occur in isolated and unmonitored areas of the school. How long will it be until there is a problem? Is the school able to provide a security person or staff member to monitor any restroom that Gavin may choose to use?

This is an issue that is dividing our school and our community. Please consider the rights of ALL of the students in Gloucester's schools as you make this decision.

Sincerely,

A Concerned Family*

Just talked with Nate. The restrooms are/were ready to open. The signs that didn't arrive were to indicate knock before entering and lock door behind you.

The unisex signs have been posted for a week, but were covered. There are some minor touch ups to be done, but nothing to stop the bathrooms and being open.

Nate will open the bathrooms tomorrow and put paper signs up until the official signs regarding entering and locking door arrive.
I'll touch base with Nate tomorrow a.m.
